

**Proceedings of  
23<sup>rd</sup> Workshop on  
Requirements Engineering  
  
WER 2020**

**São José dos Campos, São Paulo, Brazil**

**August 24-28, 2020**

### **Keynote 1**

Requirements, Products, and Value: The big picture and what this mean for us researchers

Keynote Speaker: Tony Gorschek – Blekinge Institute of Technology (Sweden)

### **Keynote 2**

Cenário de Especificação de Requisitos na Indústria Aeronáutica e seus Desafios

Keynote Speaker: Marcelo José Ruv Lemes – EMBRAER, Empresa Brasileira de Aeronautica (Brazil)

### **Invited Talk 1**

An Overview of ANAC and Certification Requirements related to Software and AEH processes

Speaker: Diego Pivoto Palma – ANAC, Agência Nacional de Aviação Civil (Brazil)

### **Invited Talk 2**

Gestão de Requisitos na Transformação Digital

Speaker: Gustavo Cândido Silva – Banco Itaú (Brazil)

### **Invited Talk 3**

Systems engineering as a requirements engineering, verification and validation discipline

Speaker: Geilson Loureiro – LIT/INPE, Laboratório de Integração e Testes do Instituto Nacional de Pesquisas Espaciais (Brazil)

### **Panel Session**

Qual a Medida Certa em Termos de Especificação de Requisitos?

Panelists:

Lucas Everton – Aeronautics Computing Center of Brazilian Air Force (Brasil)

Luiz Eduardo Galvão Martins – Universidade Federal de São Paulo (Brazil)

Johnny Marques – Instituto Tecnológico de Aeronáutica (Brazil)

Daniel Wildt – Wildtech (Brazil)
